

HANU SOFTWARE SOLUTIONS INDIA PVT. LTD.

Greater Noida

INFORMATION AND COMMUNICATION SYSTEMS

Information Security Policy

Hanu Software Solutions India Pvt. Ltd. is committed to protect the Strategic, Sensitive, and Personal Health Information (PHI), if any, of all Stakeholders and Clients, by ensuring the Confidentiality, Integrity, and Availability.

This shall be achieved by meeting all the Regulatory/Compliance requirements, along with Business Continuity Planning, competency development, adoption of Industry Best Practices, and Continual Improvement, to mitigate the Information Security Risks.

This Information Security Policy aims to protect the information received, processed, stored, or transmitted by the Hanu Office at Greater Noida from all threats, whether internal or external, deliberate or accidental, to ensure business continuity and confidentiality in delivery of the stated services to the offshore clients.
